GLASS INDUSTRIES

Feats of Fabrication

Three striking glass walls highlight the new American Veterans Disabled for Life Memorial, which opened Oct. 5 in Washington, D.C., and pays tribute to disabled veterans both living and deceased across all conflicts throughout the nation's history.

Almost four years in the making, Hartung Glass is proud to have contributed to such an important project and wishes to thank all members of the military in the United States and Canada, both past and present, for their service to our countries.

Memorial Day

All give some, some gave all.

***Remember our fallen soldiers
Remember our missing in action
Remember our prisoners of war
Remember our wounded warriors***

Hartung Glass Industries proudly supports the [Coalition to Salute America's Heroes](#) in providing emergency aid and other services to veterans severely disabled in the war on terror.

**Rebuilding lives.
Restoring hope.**

Art Guidelines

HDG Digital In-Glass Printing
Art Guidelines

Minimum Digital Printed Size: 12" x 12" (or 14" Diagonal)
 Maximum Digital Printed Size: 54" x 142-1/2" (500-lbs)
 Vector files are the best as they scale up without loss of detail.

For Raster files use the resolutions:

Viewing Type	Distance	Dimension	Resolution
Interior Viewing	Less than 3 feet (1 meter)	1:1	200-300 dpi
Exterior Street Viewing	3-50 feet (1-15 meters)	1:10	150-200 dpi
Exterior Horizon Viewing	More than 50 feet (15 meters)	1:100	150 dpi or less.

If your art does not meet the above requirements, please contact Hartung to review the file and discuss expectations. Sometimes a low resolution pattern will print but it depends on the file.

Acceptable Art files:

.ai	Adobe Illustrator CS6 or earlier version
.psd	Adobe Photoshop CS6 or earlier version
.eps	Encapsulated Post Script
.pdf	Portable Document Format
.dwg/.dxf	AutoCAD 2014 or earlier version
.tif	Tagged Image File
.jpg	Joint Photographic Experts Group*

* Usable but not recommended due to lossy compression.

Fonts should be outlined in the file.
 Adobe Illustrator: Type > Create Outlines
 Adobe Photoshop: Type > Convert to Shape

Architect or building owner approval of digital print recommended for large projects.

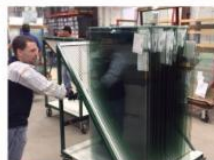

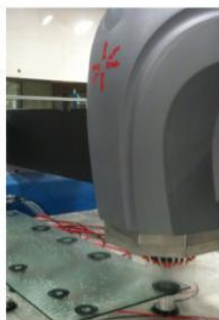

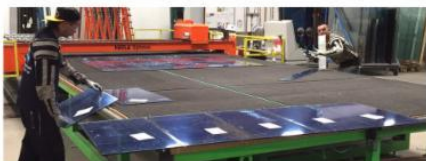

Photographic and digital images are subject to copyright law.

Bellevue Youth Theatre

Bellevue Youth Theatre featuring [Guardian SunGuard SNX 62/27](#). Installed by [Reflection Industries](#). The outstanding design for the new structure has been created by [Becker Architects](#), and features a building that is fully integrated into the landscape of Crossroads Park. This innovative structure is built in the hillside, minimizing the impact on the existing park by incorporating a green roof of earth and grass which flows over the top of the structure. The new building is designed to meet high LEED certification standards for sustainability.
