What is it?

The Agalite WebCenter is an web-based quoting and order maintenance tool. Because it is web-based (internet only), there is no download required or hardware requirements.

The WebCenter can be used both on mobile devices and on desktops (PC and Mac). We are preparing an upgrade to the system that will make it more mobile-friendly, so keep your eyes peeled for announcements about our upcoming upgrades!
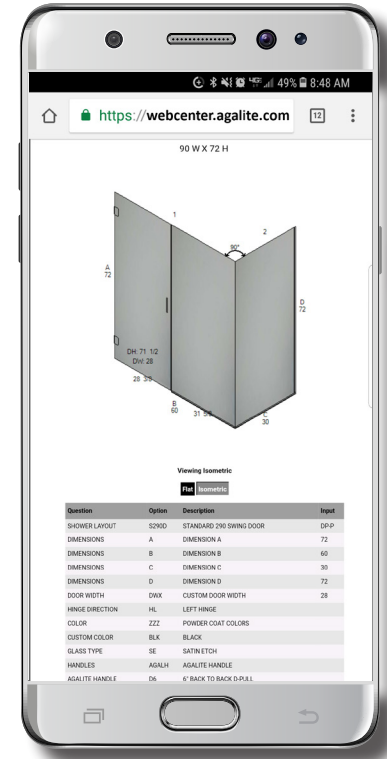

What does it cost to use?

Not a thing. The WebCenter is free to use to all Agalite Dealers. New users do go through a brief approval and set up period, which depending can last anywhere from 24 to 48 hours.

What can it do?

• Quote Heavy Glass Doors in the Field

• Get real-time order status on ALL your open Agalite orders

• Convert your Online Quotes to Orders in seconds

• Order online with confidence - EVERY WebCenter order is reviewed by our Customer Service team

• Print out order acknowledgements and quote confirmations

• Fully customizable pricing for end users

• And much more!

How do I get a login and get started?

Request a login either by contacting your Agalite Sales Rep, or by submitting a request through the Agalite WebCenter Contact Form available at: www.agalite.com/webcenter-contact/. Onne your account is approved, a login email will be sent to you with further information, including links to training videos and other vital information.
