AGALITE

SHOWER & BATH ENCLOSURES

BUILT TO LAST A LIFETIME

Transcend

Exposed Roller, Frameless Sliding Door Rail System

Introducing the all new Agalite Transcend Collection, a series of exposed roller, barn door 3/8" and 1/2" single sliders or 3/8" double bypass sliders available in the most popular configurations. Transcend incorporates world class engineering that ensures a lifetime of beauty and unsurpassed functionality.

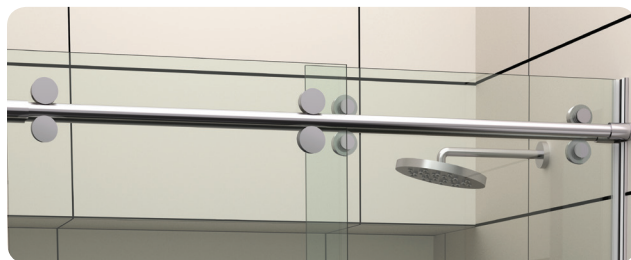

- All units are available in both Shower and Tub heights
- Backed by Agalite's industry leading Lifetime and Hardware Warranties.
- Available in Chrome, Brushed Nickel, and Oil Rubbed Bronze

BYPASS TUB & SHOWER Enclosures

Transcend By-Passing Shower or Tub Enclosure is an industry first with industry leading water protection capabilities engineered into every enclosure

Six roller bypass slider option

Eight roller bypass slider option

Transcend TRBSE bypass shower slider with chrome finish and standard four roller & ProLoc anti-jump brackets option

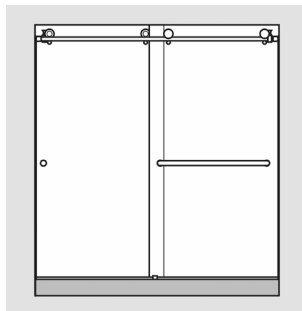

Features

- The first 3/8" frameless sliding, by-passing "big wheel" complete door system.
- Innovative tub jamb system protects glass and walls while offering the highest degree of water protection available.
- Standard with Euro Towel Bar (shown), or optional half pulls with cushioned knobs, D-Pull, C-Pull, Mitered or Ladder styles.
- All new Soft Sill:
 - Soft on feet and toes, or easy on forearms and elbows when bathing children in tub enclosures.
 - Wheelchair (ADA) friendly. Wheels roll over the flexible fin and base.
- Maximum allowed unit opening is 60" with maximum clear opening width of 28-1/4" (height restriction may apply).

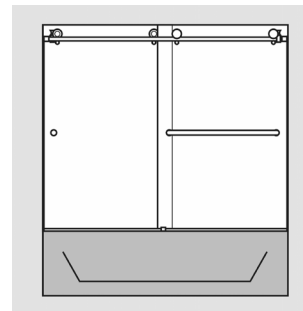

All new Soft Sill water barrier system available exclusively with Transcend
